Peter Kraemer '88

Anheuser-Busch Brewmaster To Be Honored

Our special guest this year is **Peter Kraemer '88**, Vice President, Supply for Anheuser-Busch and responsible for all North American manufacturing. Peter is a fifth generation Brewmaster dating back to the late 19th Century in Budapest Hungary.

Peter graduated from Purdue in 1988 with a Degree in Chemical Engineering. He initiated his career in Germany as a brewing apprentice at the Bitburg and Warstein Breweries, using the education and values learned at Purdue and Delta Delta.

Join us as we honor Peter with the **Significant Sig** award and have a chance to learn more about Pete's career and days at Delta Delta. We're sure he'll have some good stories to tell.

All Sigs Are Invited

The invitation to attend the 2015 Brotherhood Dinner is open to all Sigma Chi's in the area. We encourage those brothers not familiar with Delta Delta to come and share in the fellowship of this annual event. It is a great opportunity to get to know the undergraduates and other local alumni, and visit Purdue's historic chapter house.

Call A Brother And Join Us

Call a brother and plan now to attend this fun and inspirational event. It's always a special evening when we share our Sigma Chi brotherhood with multiple generations and get to hear the often hilarious recollections of our alumni "Old Grads". Taking part in the ritual rekindles the spirit and significance of Sigma Chi for all in attendance. Each returning brother is guaranteed to have his spirits lifted at this special ΣΧ gathering.

RSVP Requested

Please RSVP by **March 28** by emailing **Frank Speek, Alumni Relations Chairman**, with your plans at fspeek15@gmail.com.
